

INSTRUCTIONS FOR THE NEXT TWO TO FOUR WEEKS FOR HIST. 36

1. Check your Mt. Sac Email EVERY DAY for emails from me, Peg Lamphier, your Hist. 36 instructor. We'll go online for a few weeks, but I'm hoping to get back into the classroom soon. So keep an eye out for "Come Back to School" emails.
2. I'm going to upload the Powerpoint Lectures, WITH LECTURE NARRATION, to Canvas for the next few weeks. Here's what you do:
 - a. Go to www.mtsac.edu.
 - b. Click *Portal*. Log In.
 - c. Click *Canvas*. Log In.
 - d. Click Hist. 36.
 - e. I've arranged it so 36 opens at the Module page. Each week you will find there the powerpoint lecture, with ME narrating the lecture. You'll see little speakers in the lower right hand corner of the powerpoint slides. Each Lecture will be up from Thursday to Thursday. It will be then taken down and the next Lecture put up.
 - f. Each week you watch the lecture and take notes. If you take notes by hand (which is what I'd do) take a picture of those notes to email to me. If you type them, be prepared to email them.
 - g. I'm going to move the course readings into each week's Canvas Module to make it easier for you. Each week, starting next week, I'll also put the course readings at that week's module (if you came to class last night you handed in your RR so you only have to do the notes this week—if you didn't, email it to me with your notes). Do the reading and write the reading response before or after you do the lecture. Either way is fine.
 - h. Once you've got your notes and your RR EMAIL THEM TO ME AT plamphier@mtsac.edu In the email tell me your name and attach Your Notes and your Reading Response. Each is worth 10 points if done well.
 - i. At least once a day (during the week) I'll check my Mt. Sac email and I will answer the people who send me things so you know I got them. I will also tell you how many points you earned for turning in online assignments.

Dos and Don'ts:

1. Do your work EACH WEEK. I'm not going to leave each week's powerpoint up past the week its due so as to encourage you to work a little at 36 each week.
2. Make sure you take adequate notes. It will help you with the mid-term because I take notes from the powerpoints.
3. Send me BOTH the notes and the reading response in the same email. If you're going to skip the response for that week, tell me. No shame, just so I know.
4. If you have trouble with any of this EMAIL ME. I want to help.
